

Hastings

IMAGING CENTER

Hastings Imaging Center is the only Imaging Center in Greater Nebraska to offer digital mammography, breast MRIs and MRI-Guided Breast Biopsies under one roof.

We also provide complete body imaging - Including MRI, CT, Ultrasound and X-ray.

Call today to schedule an appointment or visit our web site for more information.

HASTINGS IMAGING CENTER
(402) 462-4070
2207 Osborne Drive West, Suite 200
Hastings, NE 68901
www.hastingsimagingcenter.com

Hastings first and only multi-modality imaging center with focus on Women's Imaging.

LEADING EDGE WOMEN'S IMAGING SERVICES:

Digital Mammography - The latest in breast care provides a sharper image compared to conventional mammograms.

Breast MRI and Ultrasound - Also available to assist in the early detection of breast disease.

Breast Biopsy - Using Stereotactic, Ultrasound, and for the first time in Central Nebraska - MRI Guided breast biopsies.

Bone Densitometry - The latest technology gives our certified technologists the most accurate means to detect osteoporosis and calculate the patient's risk of fracture.
